Re: SCHANNE v. ADDIS
11-cv-1851

Dear Judge Brody,

I am writing to you today to ask that you would please grant me an extension to respond regarding the above referenced matter.

I am currently unrepresented, but have notified my insurance carriers of the pending litigation. I am currently awaiting a response from them as to my coverage and counsel options.

I simply need more time to be able to properly respond to the above referenced complaint. In making your decision, I respectfully request that you might consider my current location (New Orleans, Louisiana) and the difficulties this presents in coordinating diligent efforts in Philadelphia.

Thank you very much for your consideration in this matter.

VERY TRULY YOURS,

JENNA D. ADDIS
